

November 2, 2023

MEMORANDUM

To: John Karl Scholz, University President  
Gerard Sandoval, University Senate President

From: Ken Kato, Chair 2022-2023 Campus Planning Committee

Subject: 2022-2023 Campus Planning Committee Annual Report

On behalf of the Campus Planning Committee, I am sending you a copy of the 2022-2023 Campus Planning Committee's Annual Report. In this past year, the Campus Planning Committee has accomplished a significant amount of work, as described in the attached report.

I would be happy to arrange a time to make a short presentation to the University Senate about the Campus Planning Committee's actions and upcoming projects. Please contact Liz Thorstenson in Campus Planning and Facilities Management (6-5024) to organize.

Please feel free to contact me or Liz if you have additional questions.

## **Campus Planning Committee Annual Report 2022-2023**

### **Summary of Meetings and Activities**

Since Fall 2022, the Campus Planning Committee (CPC) has held 11 meetings and forwarded 18 recommendations to Administration. The committee reviewed numerous campus development projects including the Millrace Millpond Restoration and Enhancement schematic design, the Heritage Project (University and Villard Halls) schematic design, Beach Volleyball Meeting One, the 13<sup>th</sup> Avenue Redesign Meeting One, and a number of additional smaller facility improvement projects, such as the EMU Amphitheater Cover schematic design, the Financial Wellness Center (FWC) sign proposal exception to the Campus Outdoor Sign Plan Design, the West Science Loop high voltage transfer switch location, the University Health Center pharmacy walk-up window schematic design, the update to the campus standard for exterior emergency phones, the Housing Transformation Project and Zebrafish International Resource Center (ZIRC) 1% for Art Proposals siting, the Campus Plan Outdoor Sign Plan proposal to establish a campus standard “Trespass Sign,” and the Campus Plan Outdoor Sign Plan proposal to establish approved pole banner locations on campus light poles.

In 2022-23, the CPC also guided and held a public hearing for the *Campus Plan* Amendment related to the Biennial Capacity Plan and Framework Vision Project for the Northeast Campus, Northeast Central Campus, Academic Center and Historic Core, and Southwest Campus Design Areas. Additionally, it reviewed and provided a recommendation for this *Campus Plan* amendment and reviewed and provided feedback on the 10-year Capital Plan, the Phil and Penny Knight Campus for Accelerating Scientific Impact Phase 2 check-in, and the *Campus Plan* density amendment CPC review process.

CPC members served on numerous project user groups for development projects that were initiated this past year. Staff educated the committee about its role in the campus development process and provided relevant background materials to enable well-informed decisions about a wide range of complex campus planning and development issues.

**2022-23 Members:**
