

# University of Oregon Designated and Potential Historic Resources

Office of Campus Planning, 2024

## Designated Historic Resources

Designated as a City Landmark, National Landmark, or listed in the National Register of Historic Places.

- Buildings
- Landscapes

All buildings shown in GREY have not yet been surveyed.

Source : Campus Planning

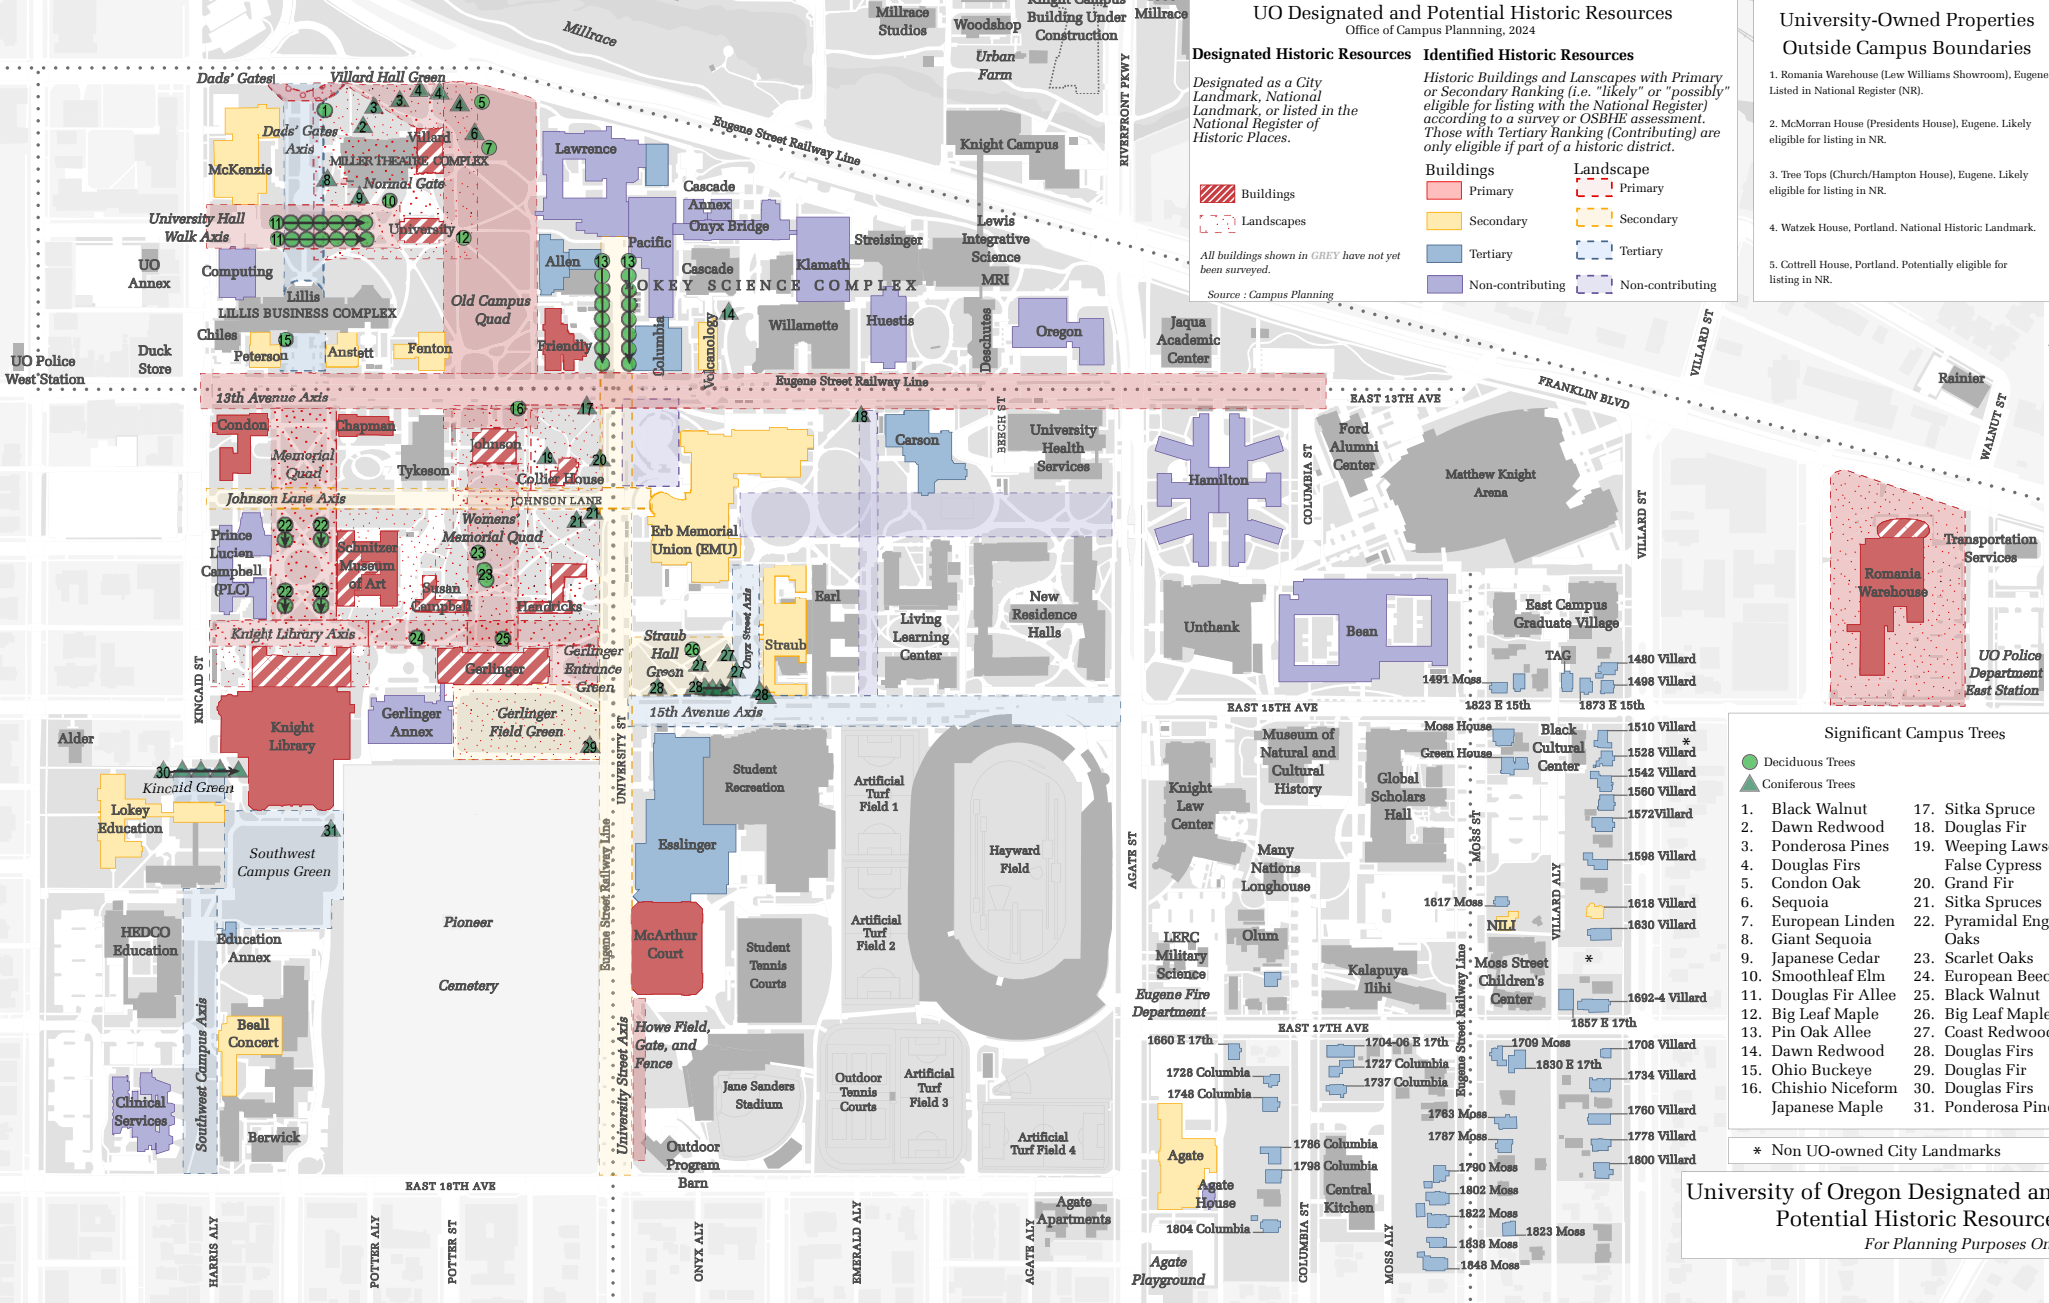

## Identified Historic Resources

Historic Buildings and Landscapes with Primary or Secondary Ranking (i.e. "likely" or "possibly" eligible for listing with the National Register) according to a survey or OSBHE assessment. Those with Tertiary Ranking (Contributing) are only eligible if part of a historic district.
