

## UO Designated and Potential Historic Resources

Office of Campus Planning, 2025

### Designated Historic Resources

Designated as a City Landmark, National Landmark, or listed in the National Register of Historic Places.

-  Buildings
-  Landscapes

All buildings shown in GREY have not yet been surveyed.

Source : Campus Planning

### Identified Historic Resources

Historic Buildings and Landscapes with Primary or Secondary Ranking (i.e. "likely" or "possibly" eligible for listing with the National Register) according to a survey or OSBHE assessment. Those with Tertiary Ranking (Contributing) are only eligible if part of a historic district.

- | Buildings  | Landscape  |
|--|--|
|  Primary          |  Primary          |
|  Secondary        |  Secondary        |
|  Tertiary         |  Tertiary         |
|  Non-contributing |  Non-contributing |

## University-Owned Properties Outside Campus Boundaries

1. Romania Warehouse (Low Williams Showroom), Eugene. Listed in National Register (NR).
2. McMorrnan House (Presidents House), Eugene. Likely eligible for listing in NR.
3. Watzek House, Portland. National Historic Landmark.
4. Cottrell House, Portland. Potentially eligible for listing in NR.

## Significant Campus Trees

-  Deciduous Trees
  -  Coniferous Trees
- |                                     |                            |
|-------------------------------------|----------------------------|
| 1. Black Walnut                     | 17. Sitka Spruce           |
