**Agenda:**

**1. 10-Year Capital Plan – Information**

Background: The purpose of this agenda item is to review the Ten-Year Capital Plan. The goal of this review is to share information with the committee about upcoming and potential capital construction projects. This plan outlines current and planned capital construction projects for the next ten years. The plan also includes potential future projects that may be considered by the university. The plan is updated annually by Campus Planning and Facilities Management.

A copy of the *Campus Plan* is available online at <https://cpfm.uoregon.edu/campus-plan>

Action: No formal action is requested.

## **2. UO Portland Campus – Information**

Background: Campus Planning and Facilities Management staff will provide an overview of recently completed and current projects at the UO Portland Campus.

The UO Portland Campus was purchased in 2022 and began holding classes in Fall of 2024. Several renovation projects have been completed to make the campus ready for university use. A master plan was also completed to inform the siting of the new Child Behavioral Health Building that is currently being designed.

Please visit the UO Portland website for additional information: <https://pdx.uoregon.edu/>

*“The University of Oregon has long been part of the fabric of Portland. And while home will always be Eugene, we hold Portland close to our hearts. From our professional graduate programs and innovative community-based research to alumni and community events, UO Portland brings the duck spirit, excellence, inclusiveness, and leadership to Bridgetown.”*

Action: No formal action is requested.
