Passcode: 833968

Agenda:

1. 13th Avenue Redesign – Schematic Design – Check-in

Background: The purpose of this agenda item is to check-in regarding the 13th Avenue Redesign schematic design.

The design addresses the half-mile segment of Thirteenth Avenue between Kincaid Street and Agate Street, along with key campus entrances at 13th Avenue and Kincaid Street and 13th Avenue and Agate Street.

In continuation of the conceptual design, this project will develop a schematic design for 13th Avenue from Kincaid Street to Agate Street. The project will be informed by the Conceptual Design completed in August 2019 led by Walker Macy Landscape Architects. The design is intended “to create an exceptional walking and bicycling experience on the university’s primary east-west connection and contribute to a memorable part of the campus experience.” The concept design received a merit award from the Society for College and University Planning for Excellence in Landscape Architecture for Open Space Planning. Additional information about the concept design can be found at: <https://cpfm.uoregon.edu/13th-avenue-axis-conceptual-design>

Currently, the project is at 50% of the schematic design phase. Final schematic design (Meeting Two) will be presented to the committee Fall, 2024. The project is only funded through schematic design.

Please refer to the attached background materials for more information.

The committee has held one previous meeting regarding this agenda item on October 20, 2023. The meeting record can be found here: <https://cpfm.uoregon.edu/record102023>

2. Next Generation Housing Development Plan & East Campus Plan Update - Check-in

Background: The purpose of this agenda item is to check-in and share a summary regarding the Next Generation Housing Development Plan & East Campus Plan Update engagement and outreach.

Over the next 20 years, the University of Oregon is planning more high-quality, learning-centered residential communities on campus to serve our growing student community, including first-year students, upper-division undergraduates, graduates, and families. On-campus housing improves student performance, reduces academic costs, adds to the overall housing supply, and intentionally connects and engages students with the University of Oregon. The outcome of this work will include a long-range plan for housing and infrastructure and an update to the 2003 Development Policy for the East Campus Area (East Campus Plan).

The committee has held four previous meetings regarding this agenda item on February 20, April 5, May 14, 2024, and May 31, 2024. The meeting records can be found here:
