thoughts on the progress of the:

- **Next Generation Housing Plan**
- **New Residence Hall Projects**
- **East Campus Area Plan and City
Land Use Amendments**

Over the next 20 years, the University of Oregon is planning more high-quality **on campus housing** that is **compatible** with surrounding neighborhoods, maintains a **transition** between higher and lower intensity uses, and serves our growing student community. Over the past year, UO Campus Planning and Community Relations have been reaching out to **learn, listen, and connect** with students, faculty, staff, neighbors, and community.
