

# **Campus Landscape Damage**

**By Tim Winder & Kevin  
Farthing**

# U of O Landscape as Asset

- Recruiting tool
- Over a million dollars of ongoing maintenance costs.....
- Nexus between the larger community, academic, & natural worlds
- Used as teaching & study space

# Damage Happens....

- Winter and shoulder months
- Inappropriate vehicles on paved walkways
- Sub-optimal design
- **Game Day**
- Vendors
- Students
- But never from CPFM Facilities Services employees.....

More Examples....

And Yet More Examples.....

What can we  
do?

- Please talk to your:
  - Employees.....
  - Vendors.....
  - Student workers....
- .....about being mindful
- **Lift usage needs plywood or track mats**
- **Be mindful of tree root zones – ask us!**
- No different than a building
- If you do happen to damage the landscape....
  - Contact Work Control
  - Contact the landscaping team

We can fix the  
damage.....

- .....but we'd rather not...
- ...and focus on detailed work that makes the campus beautiful

## Bonus Slide: Custodial Changes for Offices

- Loss of 4 vacant custodial positions
- Once a month
- Starts 10/20
- Just offices
- Must centralize office garbage
