FIRE NARROWLY MISSES CPFM

On Thursday, August 9th, around 2:30PM, sparks from a passing train caught the brush at our fence line on fire. The flames grew rapidly and were soon over 20’ high. The proximity to the propane tanks was a concern, so all were evacuated. CPFM staff acted quickly, evacuating the area and helping fire fighters locate the site of the fire. Luckily no one was hurt.

Sharon Ginn, Kevin Farthing, Ernie Dangerfield, Rick Chase, Rod Madison, Paul Langley, Kyle Wilson and I attended this training in Portland, which offered a great networking opportunity and tips for better understanding the role of a supervisor.

Great photo by Haily Griffith of Ashley Mayfield, Ruby Thomp- son, Ken Peters, and Dale Fish at his last STEP Meeting. Haily wanted to thank Dale for his commitment over the years to improving safety.

BEST WISHES DALE!
Hello Tad and Kyle,

I wanted to send a thank you, to you and your team. We had a last minute dilemma here in the Chemistry and Biochemistry office and when I reached out to you for help, instead of being faced with a "no, we are unable to do that for you", you were able to find a solution for us.

The two associates that you sent to help us with the furniture and cubicle wall disassemble were both professional and courteous. Your department went above and beyond today, and for that I am grateful.

Thank you!

Hello!

I just wanted to let someone know that whoever cleans our offices in Susan Campbell Hall on Tuesday nights (specifically the 2nd floor – Philosophy) does such an excellent job! Each Wednesday when I come in it makes me smile to see how nicely the work has been done. My office always looks awesome and I wanted to make sure someone knew what a wonderful job that is being done.

Thanks!

I want to thank you for your efforts in cleaning out the custodial closets. I know that this is a long and difficult process, but I’m so glad that you are tackling it! On several occasions during this process, you have found safety issues and concerns that you’ve identified and corrected. For those issues you couldn’t correct yourselves, you were sure to bring the issue to my attention. You’ve also taken proactive steps by working with our department to put together a safety sheet showing the “do’s and don’ts”. Although the safety sheet is not finalized yet, I’m confident that it will be helpful in improving consistency and training for all custodians.

The actions you are all taking will have a direct impact in lowering the risk of injury for custodians and for others in the buildings in which you work. Thanks, and keep up the good work!

Hi, Rick. I just wanted to let you know how great Bob was today in painting the wall and pipes in 201B McKenzie. Not only was he very friendly and helpful, but he did a great job on the painting. We appreciate it!

Best,
