Subject: Campus Planning Committee Meeting, July 27, 2018

The next meeting of the 2017-18 Campus Planning Committee (CPC) will be held on Friday, July 27, 2018 from 10am - 12pm in the Johnson Hall Conference Room (room #105).

Please visit the project sites prior to the meeting.

All meetings are open to the public.

Agenda:

1. 13th Avenue Bikeway (City of Eugene) - Discussion

Background: The purpose of this agenda item is to provide information on the City of Eugene's preliminary designs for the proposed two-way protected bikeway on 13th Avenue. The project is currently in the design phase with construction anticipated for 2019. The extent of the bikeway will be from Alder Street to Lincoln Street on 13th Avenue.

Please refer to the attached background materials for more information.

Action: No formal action is requested.

2. Collier House - Site Selection - Discussion

Background: As discussed in previous meetings, the Collier House's location in the heart of campus has raised a number of questions over the last fifteen years about whether the house could be relocated and the site given over to a more intensive academic use. The Collier House is a building of primary historic significance on the UO campus, therefore, the implications of such a move require careful consideration. A Relocation Feasibility Study was previously completed and this determined that it is physically feasible to move

the Collier House. As the Collier House site is one of the top five sites being considered for the Classroom and Faculty Office Building, a study is now needed to understand if there is a good relocation site for the Collier House. At this meeting, the proposed site selection process will be presented to the CPC along with all the sites on campus that could reasonably accommodate a building the size of the Collier House.

A greater level of detail regarding the analysis of all five primary sites for the Classroom and Faculty Office Building will be presented at a future CPC meeting. These sites include:

- The PLC Parking Lot
- The site north of Dad's Gate Station
- The Collier House Site
- McArthur Court (reuse or build new)
- The site west of Jane Sanders Stadium

Action: No formal action is requested. The committee's comments will be considered as the site selection process moves forward.

Please contact this office if you have questions.
