UO Spaces and Building Records

Campus Planning staff manage the university's building space inventory records. We develop space reports and respond to space data and information requests.

Summary Data Map

Compare to other Building: [Export](#) [Edit Building](#)

✔ **Caveat:** When using the data on this summary sheet, please be aware that *UO Spaces* counts **prorates** rather than discrete **rooms**: if a room is not prorated by type or function, it is counted as one room. However, if, for example, a faculty office is prorated as 50% sponsored research and 50% instructional support, the application counts 2 faculty offices.

Knight Campus Bldg. 2	
Spaces count	448
Gross Sq. Ft.	175,000
Net Assignable Sq. Ft.	101,449
Net Non-assignable Sq. Ft.	63,379
Total Net Sq. Ft..	164,815
