

Campus Planning and Facilities Management

Mission, Vision and Core Values Statements

Mission

We plan, build, maintain, and operate the infrastructure that supports the University's mission of exceptional teaching, discovery, and public service. As stewards of a physical legacy, we enable the university community to achieve its potential by providing a campus that is safe, clean, beautiful, inspiring, and environmentally responsible.

Vision

We aspire to provide world-class facilities that support the University's vision of becoming a preeminent and innovative public university. We strive to be an organization that everyone wants to work with by creating a culture of open communication, transparency, and high employee morale.

Core Values

We value:

Collaboration (Teamwork, Engagement, Mutual Support)

Service Excellence (Timeliness, Flexibility, Dedication)

Diversity (Cultures, Perspectives, Expertise)

Problem-Solving (Adaptability, Creativity, Innovation)

Stewardship (Environmental Sustainability, Fiscal Responsibility, Efficiency, Design Excellence)
